When the Chinese revolutionists now gathering outside Nanking move on that city to commence what is expected to be the decisive battle of the rebellion two of their prominent leaders will be Ting Chia Chen and Yin Tsing Wen, graduates of the United States Military Academy. Both Ting and Yin were members of the class of 1909 at the academy, and were the first two Chinese to learn military science under the tutelage of the United States Government. After completing their course they were sent to Germany and France, where they spent eighteen months. In January of this year they were ordered back to Pekin. When the rebellion began both of the young officers obtained commissions in the rebel army.

The statement sent out from the Pension Bureau that the negroes have decreased 81 per cent in Kentucky since the 1900 census is not borne out by the facts. It serves rather to sustain the charge that a large percentage of the negroes of Southern cities were not enumerated last year, for one reason or another. Nor is much credence to be put in the statement that the negroes are decreasing in the county at large. They may have been overlooked by the enumerators, but they are still here and most of them are raising families.

The Ballard Yeoman, of Wickliffe, has been sold to Jas. V. Wear, of the L. Center Advance, who will run both papers.

George H. Bisel, a gay old chap of 40, at Columbus, Ind., met Alpha Davis, aged 18, at the house of a friend and married her in an hour after being introduced. He lost no time and Alpha said she was willing.

L. felt held very cheaply in China. Here is a special from Pekin: "The rebels beheaded the governor, his wife and children and thirty notable officials. They are maintaining strict order."

Harsh physics react, weaken the bowels, cause chronic constipation. Doan's Regulets operate easily, tone the stomach, cure constipation. 25c. Ask your druggist for them.

Error Always a Harm.
To free a man from error is to give, not to take away. Knowledge that a thing is false is a truth. Error always does harm; sooner or later it will bring mischief to the man who harbors it.—Schopenhauer.

Is the World Growing Better?
Many things go to prove that it is. The way thousands are trying to help others is proof. Among them is Mrs. W. W. Gould, of Pittsfield, N. H. Finding good health by taking Electric Bitters, she now advises other sufferers, everywhere, to take them. "For years I suffered with stomach and kidney trouble," she writes "Every medicine I used failed till I took Electric Bitters. But this great remedy helped me wonderfully." They'll help any woman. They're the best tonic and finest liver and kidney remedy that's made. Try them. You'll see at all druggists.

Revivals at Madisonville.
Madisonville, Ky., Nov. 19.—This place has had one continuous season of revivals since the beginning of October. Dr. J. W. Bolin, of Knoxville, Tenn., held a meeting at the Baptist church. As soon as it closed the Rev. Bud Robinson, of Texas, began at the Tabernacle, assisted by W. B. Yates, a singer, of Marion, Ky. Sunday, the Rev. Mr. Brown, of Ohio, began one to assist the Rev. S. M. Bernard, of the Christian church. All the meetings have been generally successful.

It Startled The World
when the astounding claims were first made for Bucklen's Arnica Salve, but forty years of wonderful cures have proved them true, and everywhere it is now known as the best salve on earth for Burns, Boils, Scalds, Sores, Cuts, Bruises, Sprains, Swellings, Eczema, Chapped hands, Fever Sores and Piles. Only 25c at all druggists.

Queer Kinds in Marriage.
Ansonia, Conn.—"My grandfather married a Fox, my father a Canary, my brother a Parrott, and I'll go them one better," said John R. Welsh, who will soon wed Miss Eleanor Rabbit of this town.
In 1838 Michael Welsh married Mary Fox at Feakle, County Clare, Ireland. Twenty-five years afterward his son Peter led Alice Canary to the altar in New Haven. Richard, the eldest son of Peter, last year found his bride in Miss Edna Parrott, and John, next in age, will contribute to the list with Welsh Rabbit, as he puts it. In Derby recently Walter Graves married Miss Anita Coffin.

Saved Child From Death.
"After our child had suffered from severe bronchial trouble for a year," wrote G. T. Richardson, of Richardson's Mills, Ala., "we feared it had consumption. It had a bad cough all the time. We tried many remedies without avail, and doctor's medicine seemed as useless. Finally we tried Dr. King's New Discovery, and are pleased to say that one bottle effected a complete cure, and our child is again strong and healthy." For coughs, colds, hoarseness, la grippe, Asthma, croup and sore lungs, it's the most infallible remedy that's made. Price 50c and \$1.00. Trial bottle free. Guaranteed by all druggists.

Part of Fleet Sails.
San Diego, Cal., Nov. 20.—The first division of the Pacific fleet, consisting of the California flagship of Rear Admiral Thomas, and the South Dakota and Maryland, has sailed for San Francisco.

A Burglar's Awful Deed
may not paralyze a home so completely as a mother's long illness. But Dr. King's New Life Pills are a splendid remedy for women. "They gave me wonderful benefit in constipation and female trouble," wrote Mrs. M. C. Dunlap, of Leadhill, Tenn. If ailing, try them. 25c at all druggists.

Scotch Dog's Business Instinct.
Left one night on Wagonfire mountain with 3,086 sheep by the death of John Sagodsky, her master, one female shepherd dog two weeks later delivered to Manuel Saunders, owner of the sheep, 3,085 of the animals, having lost only one during two weeks of privation. The dog's achievement was carried out despite the fact that she was the mother of puppies only a few days old when her master died.—From Our Dumb Animals.

Accidents will happen, but the best-regulated families keep Dr. Thomas' Eclectic Oil for such emergencies. It subdues the pain and heals the hurts.

JUST FOR FIVE MINUTES
Forget all about any other suspenders you ever wore and consider two commonsense reasons for wearing

SHIRLEY PRESIDENT SUSPENDERS

These reasons are COMFORT and DURABILITY. Consider them fairly—you can't get away from them—they must appeal to you personally because they are for your good.

You know that a sliding cord, such as the Shirley President has, with its instant adjustment to every bodily motion, must be more comfortable than the ordinary suspender. You will also realize that this cord gives longer wear to the suspenders and never pulls the trouser buttons off.

Positively Rude.

Who Was There That You Knew?

These photographs of those who marched to defeat or death or victory in the great conflict that convulsed this great nation, are the most interesting and valuable of your kind. Would you like to see a photograph of him in that long ago day of his youth—a photograph that he never knew was taken? We can show you one; and in any case, we can tell you a story, a story that any detective fiction, of 3,500 priceless photographs that were lost and are found again.

3,500 Long Buried Photographs of the Civil War

They were taken by the greatest photographer in the United States of that day; they were bought by the United States Government for \$20,000; they were buried in the War Department for 50 years—they are buried there still. But a duplicate set was kept by the photographer—who died poor and broken down; this duplicate set was knocked from him by a post for nearly 20 years, until it was discovered by a New England collector. J. Pierpont Morgan tried to secure the collection—President Garfield and General Sherman had each given him \$150,000—yet with thousands of dollars he failed. The entire collection has been gathered into 10 great volumes and is placed within the walls of the Review of Reviews Company. It is the story of the Civil War—its beginning, its progress, its end. It is the story of the men who fought it—the heroes, the leaders, the soldiers. It is the story of the women who supported them—the nurses, the cooks, the laundresses. It is the story of the children who were born in the shadow of the guns. It is the story of the people who lived through it. It is the story of the nation that was born in the fire.
